---

Presently before the Court is the parties' joint motion for approval of their Fair Labor Standards Act ("FLSA") settlement agreement. This Court denied a previous settlement agreement because it released Defendant from liabilities not stemming from Plaintiff's FLSA claim. After reading the parties' revised settlement agreement, the Court finds that the new language of release relates only to Plaintiff's FLSA claim and that it is not impermissibly pervasive. Thus, the Court **GRANTS** the parties' motion and **APPROVES** the settlement agreement. (Doc. 68.) Accordingly, the Court **DISMISSES WITH PREJUDICE** Plaintiff's FLSA

claim against Defendant. Because the FLSA claim is the last remaining claim in this case, the Clerk is instructed to **CLOSE** this case and **TERMINATE** all deadlines.

**ORDER ENTERED** at Augusta, Georgia this 19<sup>th</sup> day of April, 2017.

HONORABLE J. RANDAL HALL  
UNITED STATES DISTRICT JUDGE  
SOUTHERN DISTRICT OF GEORGIA
